## DR. T. S. DABNEY AT 8 TO 1 WINS THE CANARSIE STAKES

Two-Year-Old From Daniel Stable Victor in Feature Aqueduct Race.

GEORGIE IS A WINNER.

Favorite Captures Harmonicon Highweight Handicap in Driving Finish.

By Vincent Treanor.

Dr. T. S. Dabney, a well-placed good thing, won the Canarsie Selling Stakes for two-year-olds this afternoon. He flashed across the Judge's line of vision in a closing rush that was electrifying. A head behind him was Runnyol, an outsider and third, about a neck away, was Picnic.

This one was clear of the field and apparently the winner at the sixteenth pole, but he was almost obliterated in the rush of both Dabney and Runnyol.

After the field swung around the bend the colors of Picnic, Quesada and Brilliant Ray stood out, but all but the first named faded out of the picture as the horses came tearing down to the finish. Quesada was in close quarters on the rail and finished fourth. Dr. Dabney was 8 to 1 in the betting.

Cimarron, the favorite, was much the best in the third race. Her Jockey, in close quarters, in the run to the stretch, had to "take up" three different times to get racing room. She got through at the head of the stretch, and then had to set sail for Mavourneen which had cut out the pace all the way. She caught Mavourneen in the last eighth and then went on to score an easy victory. Mavourneen, going further than usual, held on gamely to save the place for Lady Gertrude which closed stoutly through the stretch. Conine and Princess Pandora had speed for a while, but both quit badly in the stretch.

Fantoch was made favorite in the opening event and, although ridden

#### DEMPSEY'S AUTO SEIZED IN PHILLY

Champion's \$15,000 Car Taken to Satisfy Judgment Won by Dr. Goddard.

PHILADELPHIA, June 28.—An automobile belonging to Jack Dempsey and said to be valued at \$15,000, was seized in front of a hotel here today to satisfy a judgment obtained against the fighter in a Philadelphia court recently by Dr. Herbert E. Goddard, for an unpaid balance for a minor operation on Dempsey's nose.

James Dougherty, a friend of Dempsey, had driven the car here from Atlantic City on an errand for the champion.

Dr. Goddard charged Dempsey \$1,000 for the operation, which was performed more than a year ago. The fighter paid \$500, declaring the fee sufficient. The doctor sued and won judgment for the remaining \$500.

#### HYLAN TELLS ENRIGHT POLICE MUST STOP BOOZE SEARCHING UNLESS THEY HAVE WARRANTS

Homes, Automobiles, Valises and Even Hips Must Not Be Inspected.

LEGAL ADVICE GIVEN.

No Right to Inquire Premises Without Writ Issued on Verified Complaint.

Mayor Hylan to-day notified Police Commissioner Enright that police in search of liquor violations must not "quest premises or persons or their bags or effects, or automobiles without a search warrant." The Mayor's letter was based on an opinion from Corporation Counsel O'Brien prepared at his request.

Mayor Hylan's request to Corporation Counsel O'Brien was accompanied by a complaint made to him by John C. Waiworth, President of the Bronx Chamber of Commerce, who had been stopped by a policeman on a public street and requested to reveal the contents of a satchel he was carrying. After referring to the Statutory provision in this State for the enforcement of the Eighteenth Amendment to the Federal Constitution, Corporation Counsel O'Brien cited three instances wherein police officers have a right to make an arrest without a warrant. They are as follows:

For a crime committed or attempted in his presence.

When a person arrested has committed a felony.

When a felony has in fact been committed and there is reasonable cause for believing that the person arrested committed it.

"The Attorney General" Corporation Counsel O'Brien continued, "recently rendered an opinion that peace officers have no right to stop and search automobiles or other conveyances for the purpose of discovering violations of the prohibition enforcement statutes, and I am convinced that the Attorney General was correct in his conclusion."

Mr. O'Brien quoted sections of Criminal Procedure which provides for the issuance of a warrant for the "search for and seizure of liquors kept in violation of the penal law," but emphasized the fact that "the warrant should issue only upon a verified complaint setting forth facts which show grounds for belief that intoxicating liquor is kept or that there is probable cause for believing that such liquor is illegally in one's possession."

The Corporation Counsel says the complaint must state the name of the person "so keeping, storing or depositing such liquor, and the name of the owner of the premises where such liquor is so stored, kept or deposited, if known to the complainant, together with a description of the premises sufficient to identify the same."

Mr. O'Brien holds that the provisions of the State law against unreasonable searches and seizures are found in the Civil Rights Law and the Code of Criminal Procedure. The former, he says, provides that "the right of the people to be secure in their persons, houses, papers and effects against unreasonable searches and seizures ought not to be violated, and no warrants can issue but upon probable cause supported by oath or affirmation, and particularly describing the place to be searched and the persons or things to be seized."

The Code of Criminal Procedure, Mr. O'Brien holds, provides that a search warrant can only be issued upon probable cause supported by affidavits describing the person and property to be searched, and that the statutes have not been repealed or superseded by the Prohibition Enforcement Act of 1921. Consequently, he holds, it may be safely assumed that the legislature in enacting prohibition enforcement had in contemplation all requirements of the Civil Rights Law and the Code of Criminal Procedure.

#### U. S. "DRY" OFFICIAL IS ARRESTED ON BRIBERY CHARGE

WASHINGTON, June 28.—William F. Egan, formerly a clerk in the Legal Department of the Prohibition Bureau was arrested to-day on a charge of bribery.

Officials declined to discuss the case, but indicated that they had evidence against other former employees of the unit.

#### NEW YORK MEMBERS IN CONGRESS REVOLT

Eleven Join In Call for Conference to Speed Up the Programme.

WASHINGTON, June 28.—Representative Anorge of New York issued a statement to-day asserting that the new Republican members of the House were dissatisfied with the progress made by Congress at the present special session and disapproving that he and ten others had joined in a call for a conference to-morrow night of the approximately one hundred new Republican members to discuss the situation.

"We are not meeting in any spirit of revolt," said Mr. Anorge, adding that the new members want to get some of the "red tape" and "substitute action for delay."

#### REFORMERS LOSE ACTIONS IN COURT TO STOP FIGHT OF DEMPSEY AND CARPENTIER

Present Four Reasons Why Bout Should Not Be Held—Vice Chancellors Stevenson and Foster Both Refuse to Stop Contest.

Two Vice Chancellors sitting in Jersey City refused this afternoon to grant an injunction against the Dempsey-Carpentier bout to be held on July 2.

The first was Vice Chancellor Stevenson. He advised the reformers who applied for the petition to apply to another judge of the Chancellor's Court. They made their application to Vice Chancellor John Foster who told them that the court had no authority to issue an injunction against a probable or intended violation of the criminal law.

Mr. Foster told the petitioners he had no reason to believe that the authorities in New Jersey would permit the law to be violated and he assumed they would stop the bout the moment it became a prize fight.

The reformers contended that Production

#### \$300,000 IS BET ON BIG BOUT AT STOCK EXCHANGE

For the first time since the Carpentier-Dempsey battle was arranged, Wall Street to-day laid huge sums on the result. On the floor of the New York Stock Exchange approximately \$300,000 was wagered.

One of the most prominent members of the Exchange offered \$60,000 against \$20,000 that Dempsey would score a knockout. This was quickly snapped up and \$30,000 additional was offered at the same odds. There was much more difficulty in securing takers, but the wager was finally placed.

The same broker then offered \$30,000 against \$10,000 that Dempsey would score a knockout, but was unable to find takers.

The stipulation was made that if Carpentier should commit a foul, it would count the same as a knockout for Dempsey.

The same broker who made the above wagers placed \$5,000 even that Carpentier would not respond to the bell at the beginning of the seventh round.

#### TOM GIBBONS NOT IN CARPENTIER'S CAMP

Gus Wilson, chief trainer for Carpentier, emphatically denied this afternoon that Tom Gibbons, a claimant for the heavyweight title, had been sparing in secret with the French champion in his final preparation for Saturday's battle with Dempsey. There have been several new heavyweights down in camp helping Georges the last few days, but Gibbons has not been one of them, said Wilson.

Asked to name the heavies who have been assisting Carpentier in his secret workouts, Wilson said that these late recruits had been given a pledge that the names would not be revealed, and that he could not break his assurance.

#### BIG BOUT STARTS PROMPTLY AT 3, DAYLIGHT SAVING

According to the schedule, which Tex Rickard insists will be carried up to the minute, the Dempsey-Carpentier bout will start at 3 o'clock Eastern standard time, or at 3 o'clock daylight saving time. The preliminaries will start about 1 o'clock daylight time.

Sixteen hundred policemen and firemen will be employed in handling the crowds and preventing accidents. A deadline will be established four blocks from the arena, inside which only ticket bearers will be allowed. Pickpockets will have to evade 275 detectives.

#### THIRD—That the fight will attract gamblers and pickpockets to Jersey City and prove demoralizing.

SECOND—That the fight promoters, by issuing tickets too far in advance, gave opportunity to counterfeits to swindle the public by the printing and sale of fake tickets.
